

MINUTES OF THE BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer  
Clerk of the Board of Supervisors  
383 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

Registrar-Recorder/County Clerk

At its meeting held September 9, 2003, the Board took the following action:

50-A

The following statement was entered into the record for Supervisors Burke and Molina:

"In preparation of the October 7, 2003, Statewide Special Election, the Los Angeles County Registrar-Recorder/County Clerk has recruited 1,786 consolidated polling locations, and has made a concerted effort to recruit the best available polling locations that meet all the requirements for accessibility to voters. These consolidated polling locations are, in the vast majority of instances, in the voters' immediate and familiar neighborhoods, but in some cases, due to previously scheduled commitments, many traditional, long-standing polling locations were unavailable for this particular election.

"Since some voters may not notice that the polling location listed on their sample ballots for this special election have changed and they may go to polling locations where they have previously voted, it is vital that voters be directed to their proper polling locations."

Conny B. McCormack, Registrar-Recorder/County Clerk, addressed the Board.

After discussion, on motion of Supervisor Molina, seconded by Supervisor Burke, unanimously carried (Supervisors Knabe and Antonovich being absent), the Registrar-Recorder/County Clerk was instructed to post a "Notice to Voters" sign at all the November 2002 polling locations that are not being used for the October 7, 2003 election, with a map depicting the new polling location.
